Eagles' Haven is inviting community members to help write letters of love to the victim's families in Uvalde, Texas, following the Robb Elementary School shooting on May 24.

Until June 12, [Eagles' Haven](#) will be accepting letters at its wellness center at The Shoppes at Heron Lakes, 5655 Coral Ridge Drive, in Coral Springs. Once the letters are collected, they will be sent to Uvalde's Mayor Don McLaughlin.

Eagles' Haven, which is a wellness center created for the Marjory Stoneman Douglas High School community in 2019 after the school shooting, was inspired to start this initiative by one of the Parkland mothers who shared how impactful the gesture was when the community did it for her.

Eagles' Haven offers supportive and wellness services including education, family strengthening services and wellness experiences.
